

INTRODUCING OUR TICKET DESIGN & PRINTING SERVICE

Bespoke tickets designed and printed to your specification

Why should you consider Liberty Services to provide your theatre, sports and entertainment event tickets?

- 1 Established for over 70 years - The team at Liberty Services, manufacture, manage and distribute printed products to customers throughout the UK.
- 2 Your peace of mind - Responsibility for guaranteeing each job is handled on time every time with 100% accuracy rests with us - each job, large or small is checked to the same high standard.
- 3 Amazing quality, fast turnaround & competitive price - We believe we have to deliver on all fronts, ensuring the best price and most efficient service for each customer.

THERMAL TICKETS

Compatible with all thermal printers, our thermal tickets can be personalised with your own graphics, logos and photographs.

We use a combination of security features including holograms and numbering to ensure the integrity of your tickets and help prevent fraudulent duplication.

THEATRES

We are currently supplying tickets to a number of theatres around the country as well as to music/entertainment and sporting events.

Other services include; gift vouchers, leaflets, brochures and posters (including large format).

DIRECT MAIL

We have a secure processing department, sending out up to 100,000 items per day and are able to dispatch your brochures and leaflets direct to your customer saving you time and money.

STORAGE

Our secure storage facility enables us to hold stock of larger orders free of charge until delivery is required.

If you are currently placing two or more orders with us per year we may be able to make substantial savings for you.

QR CODE FACILITY

A QR code is a lot like the barcode you see on most products. QR codes are a great way to share information like websites and contact info. They can be scanned using your camera equipped device and an easily downloadable QR code reader.

We can add these to your tickets enabling your customers to easily link through to your website for up-to-the-minute event information etc.
