

LIBERTY SERVICES

Supplying enforcement products,
mailing and scanning solutions
to the parking industry

ESTABLISHED FOR OVER 70 YEARS

The team at Liberty Services, manufactures, manages and distributes products and services for the parking industry, including a comprehensive mailing, data scanning and payment processing facility.

In-house finishing means that we can fold, stitch, pad and number to your specific requirements, enabling us to produce a wide range of specialist parking products.

Key products and services include:

- Thermal rolls
- Self adhesive bags and carriers
- CEO notebooks and notebook wallets
- Permits and permit holders / Security print
- Scratch cards / Parking clocks
- Pay & display and pay on foot tickets / Back of ticket advertising
- Signage and line marking solutions
- Personalisation and bulk mailing including penalty charge notices, notice to owners and charge certificates
- Inbound mail scanning and payment processing
- Print management
- Plastic card solutions
- Practical protective clothing for the parking and service industries / CEO uniforms

If you don't see the product or service you require, contact the team at Liberty Services, we will be happy to discuss how we can best fulfil your order.

Our digital print and mailing operation distributes up to 100,000 items per night including mail shots and time critical documentation.

OUTSOURCING CUTS COSTS AND IMPROVES SERVICE

Why you should consider Liberty to provide your outbound and inbound mail services:

- **Reduce or eliminate capital and maintenance costs** - Liberty operates the best printing, mailing and scanning equipment available across multiple contracts thereby increasing economies of scale and lowering unit cost.
- **Reduce management headache** - Responsibility for ensuring your documents are handled on time every time with 100% accuracy rests with us - Service Level Agreements protect your interests and ensure we deliver the service you require.
- **Focus on core competences** - By using our expertise you allow your staff to focus on their core activities delivering the best possible service to your clients.

Liberty's digital print and mailing operation

Liberty Services has managed the printing and distribution of personalised enforcement stationery for over 15 years. We have a full Data Integrity Policy and are registered with the Information Commissioner's Office (ICO).

We currently manage and print a million PCNs, including CCTV generated PCNs and send out 500,000 bespoke general correspondence letters per year.

Our document scanning and payment processing facility

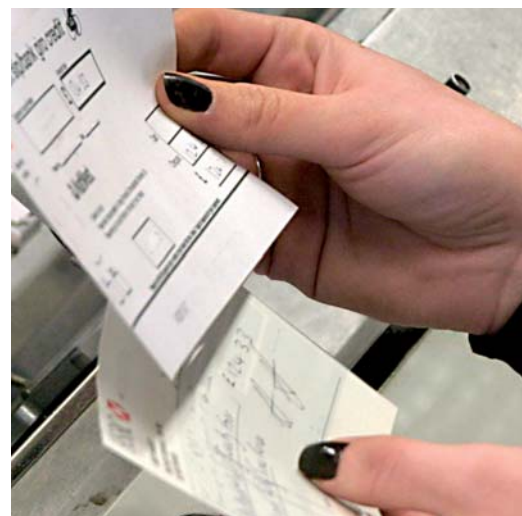

We provide a complete payment processing service including correspondence handling and CEO notebook scanning. We process all types of payments and scan images of all correspondence on date of receipt.

Operating a fully checkable data processing, printing and mailing service, our staff are trained in all aspects of process and procedure. All equipment is duplicated and fully covered with maintenance contracts.

Our IT programmes interface directly with all major software providers and we have in place a rigorous backup and disaster recovery procedure.

We process up to 100,000 envelopes per day, 40 million payments per year and scan 150,000 documents per day.

To learn how outsourcing your print, mailing and business processing to us will benefit your organisation, contact the team at Liberty Services.

Liberty Services can meet all the requirements of the parking industry from mailing and scanning services, design and production of enforcement stationery, ticketing, permits and labels through to signage and road marking solutions.
