- Efficient, accurate print and mailing service
- Data protection and security
- Access to industry leading equipment and processes
- Timely and accurate dispatch
- Postal consolidation and discounts

## LIBERTY'S DIGITAL PRINT & MAILING SOLUTION

### Why Liberty should provide your outbound mail services:

#### 1. Security

Liberty Services establish and maintain an effective information management system, ensuring your data is secure at all times.

#### 2. Reduce or eliminate capital and maintenance costs

Liberty operates the best printing, mailing and scanning equipment available across multiple contracts thereby increasing economies of scale and lowering unit cost.

#### 3. Reduce management headache

Responsibility for ensuring your documents are handled on time every time with 100% accuracy rests with us - Service Level Agreements protect your interests and ensure we deliver the service you require.

#### 4. Focus on core competences

By using our expertise you allow your staff to focus on their core activities delivering the best possible service to your clients.

#### 5. Accuracy

The sensitive nature of the data and documentation requires that mailings are 100% accurate. Liberty operates combined electronic and manual checking to achieve its aim of total accuracy. Liberty sends up to 100,000 items of transactional mailings on behalf of public sector organisations each night - none of it is direct mail.

#### 6. Timely dispatch

Liberty operates a same day data in by 10am mailing out same day policy, ensuring that clients receive

the information they need as soon as is practicable.

#### 6. One-stop mailing solution

From form design, print and stationery storage to personalisation, folding/inserting despatch and distribution, Liberty Services provide the complete document handling solution.

Liberty Services manufactures and supplies all of its products under ISO 9001 & 14001 quality and environmental management systems.

We are committed to reducing our carbon footprint and take an intelligent approach towards reducing our impact on the environment.
