### 2 Endorsable/non endorsable with pocket

We are able with our manufacturing capabilities to offer an attached pouch on each ticket to allow for the enclosure of vehicle licence or other documentation.

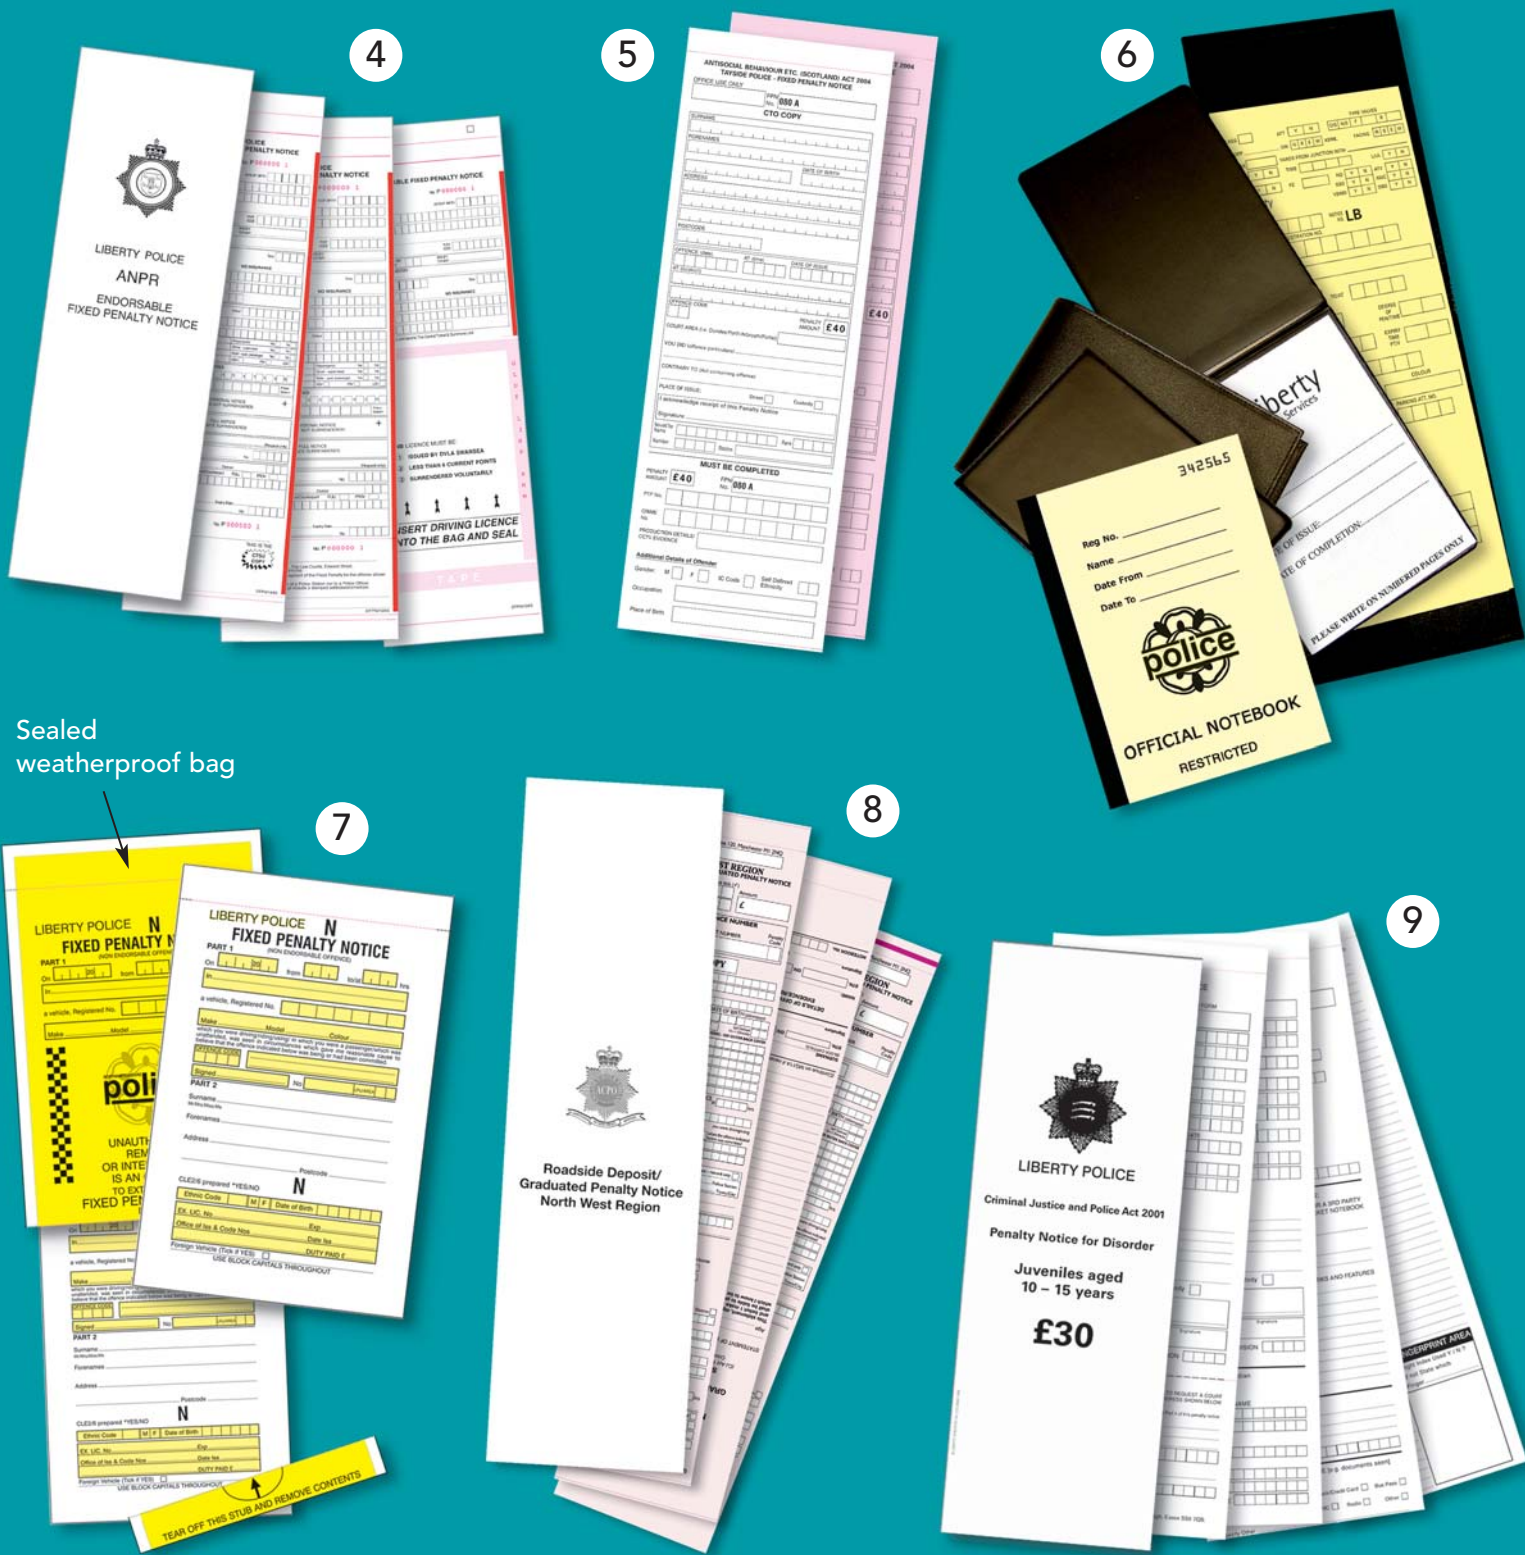

### 3 Stop and search forms

These forms need to contain enough information for valuable monitoring purposes whilst at the same time are simple and easy to fill in so as to avoid diverting valuable police time into paperwork. The design team at Liberty will work with you to ensure you get the balance right.

#### 5 ASBO forms

In Scotland these forms do a similar job to juvenile penalty notice of disorders in England. Clear, well designed forms allow swift issuing of the document and Liberty works with Scottish police forces to ensure they get the best out of the documents.

#### 6 Notebooks & notebook wallets

Books are numbered and each page is linked to its unique book number to avoid evidence tampering. The books have been designed to compliment scanning processes and allow for easy electronic searches - Wallets can be supplied in either leather or plastic and are suitable for both manual tickets and officer's notebooks.

#### 7 Fixed penalty notice with bag

This ticket can be offered with an integrated sealed weatherproof facility. The officer keeps the top copy whilst the ticket is pre-sealed in a bag, preventing incorrect issue and eliminates damage to the ticket by the elements.

#### 8 Roadside deposit tickets

A new well designed multipart form covering a number of offences with different levels of fixed penalty.

#### 9 Penalty notice of disorder (juvenile)

In conjunction with the Home Office, Liberty have designed the PNDs for most of the pilot areas and those forces that have gone 'live'. We are able to provide template artwork and then personalise to your requirements.
